Mercenary Guild Thanks

2 Jellinge Style dragon motifs
from a stone cross at Kirk
Michael, Isle of Man

The Mercenary Guild would like to thank those of you who participated in the second annual Mayfair in June. Although there was one severe injury (not fighting related) and the weather did not cooperate with us, we still feel that the event was a success.

We wish to express a special thank you to the following helpful groups and individuals:

Joinsvikings - for running the war; Bardoom - for Planning the games (which were rained out); De'La'War' - for bringing the baldricks; Braemael - for being helpful; Nessa - for being there when she was needed; the contributors to the flea market; and all the participants.

All proceeds from the flea market will be donated by the Mercenary Guild to Markland.

For those of you who participated in the Banner Contest, we hope you will continue to make banners. We also hope to encourage others to start making banners both for display and competition. A warm congratulations goes to Avalon of Ono for being the winner of the Mayfair banner Competition. Avalon received a silver broach as first prize for her entree - The Tree of Life.

Any groups - especially fighter groups enterested in co-hosting the third annual Mayfaire in June next year, please contact the Mercenary Guild.

We hope that those of you who could not attend are able to enjoy next years Mayfaire, and that we can expand on new ideas to make Mayfaire BIGGER and BETTER for all to enjoy.

Thanks again, The Mercenary Guild.
